

*Hello! This is Dorothy -*

I am turning to the Amplified Bible. Actually, this is the Word of God, but it just brings out words clearly so you can follow it. It is awesome how this is brought out in **Hebrews chapter 4, verses 12 to 16.**

**12 For the Word that God speaks is alive and full of power [making it active, operative, energizing, and effective]: it is sharper than any two-edged sword, penetrating to the dividing line of the breath of life (soul) and [the immortal] spirit, and of joints and marrow [of the deepest parts of our nature], exposing and sifting and analyzing and judging the very thoughts and purposes of the heart.**

**13 And not a creature exists that is concealed from His sight, but all things are open and exposed, naked and defenseless to the eyes of Him with Whom we have to do.**

I am talking about the living God. I am talking about God Who spoke and the worlds came into being. I am talking about God and no man can hide from Him.

We are told in **Revelation** that in those terrible last days that we are soon to face on this Planet - that is, those who do not know Jesus, who have not a way of escape through Jesus Christ our Lord and Saviour. It says that rulers of the world are literally going to hide themselves in dens and caves and shout, "Hide me from the wrath of Him that is to come!" They are going to look for a place to hide from this One Who is God Almighty.

We are dealing with this and He knows our thoughts. He knows them better than we do; I can't remember perhaps five minutes ago what I was thinking about, but He does. There is not a thing we can pretend to cover up; He knows everything even before we do it for He is God!

Over and over in Scripture, it shows somebody who, long before the time of the incident, such as Cyrus years ago as a ruler, was literally told what would happen to him even physically. This happens because God is God and God knows all things. And yet, He is interested in you and me.

The verse goes on to say in this section -

**14 Inasmuch then as we - those who love Jesus Christ - have a great High Priest Who has [already] ascended and passed through the heavens . . .** Do you know what that means? Satan resisted Jesus; he did not want Him to come as that babe in Bethlehem. Many were killed as, you remember, as he did everything to wipe out the babies. But also you remember He had to be taken and brought into Egypt for that period while that terrible slaughter was taking place.

And all the way along, the enemy tried to take the life of the Lord. But when our Lord triumphed and not only died on the Cross and was buried, He arose the third day! He is a risen Jesus! He is not somebody we are talking of in the past; He is alive today!

Yet, even as He was with His disciples and was seen by many, as the Scriptures show, on the day He ascended, every demonic force was trying to hold Him back. These

principalities and powers that tried to hold Him back, which had to do with the forces of darkness of this evil world of Satan, for a period of time had been allowed to have sway. But, at that very time, He went right through them in victory! This is the Lord!

**14 (He) passed through the heavens, Jesus the Son of God. . .** There is no situation, in your life or mine that He cannot go right through in His victory. We are not dealing with somebody that we think is a little bit better than man. We are speaking of the God-man. There is a Man in Heaven: a perfect Man, and His Name is Jesus Christ. He is the God-Man. And Jesus Christ, as He stands before the Father, is my great High Priest, and your High Priest if you love Jesus Christ. We can go to Him about anything and everything. . . . **Let us hold fast our confession [of faith in Him] - Jesus the Son of God.**

Would you be willing to begin to see this? Would you be willing to see that you are not just in a little routine about what churchianity is about and you are going to study this and go there next week and you are going to fall into the same ideas of how you are living a Christian life. Would you understand that this is a dynamic life, a life where Jesus Christ is the life? A Christian is one who has Christ within him or her. As a Christian, He has a plan that integrates all of the other lives down through the ages. You were born in this generation, in this hour, for the incredible things He is going to do through you.

Can you see, in every situation, we are to turn to Him as our Great High Priest? We bring it to Him and we just praise Him. That is the key for access immediately: just worship and praise Him even in the worst hour. When the worst things are happening, just worship Him. Whatever might seem an army against you, He has the answer and

the victory. He is going to get the glory and He is going to bring it forth in your life and you see the purpose of why you are in that situation: you are the vessel dependent upon the Lord, for He is our Great High Priest, Whom we love and adore.

*In Jesus' Name. Amen.*
