

Hello! This is Dorothy -

It is such a joy to be able to fellowship with you and to point to the Lord Jesus Christ. He is our life, isn't He? Have you begun to thank Him that this day it is a miracle that you are here on planet earth and that you know Jesus personally? Or have you not received Jesus yet?

There is no purpose being on planet earth without Him. There is no good news out there. What is more, as some of us have been able to read in the Bible, there is no good news of what is going to be happening in coming days without the Lord Jesus. Therefore, we would encourage you that while you have the chance, be in touch with us. There's a book called *Your Quest for God*, which my husband wrote. Actually, it is in fifty languages now around the world. This is a book which shows from the Scriptures, exactly where you stand, and all the work that Christ has done for you. If you can read that book and at the end not say, "Oh, thank You, God," there is something very wrong inside of you. We want you to know Jesus in this personal, living way.

There are those of us who say that we do know Him. Perhaps we made some decision, but then we ran our own way. Perhaps we don't even see the Lord and understand who He is and what His position is. Perhaps we make a big thing of some big man in the nation.

Somebody was in touch with me recently and wrote, "You know, he is an important person." I just roared laughing; it was the funniest thing I had read in a long while! Nobody is important; only Jesus is important! There is no such thing as one person being more important than the other. God puts great importance upon that precious lady, who is struggling to cope with disease and with famine and problems around her, but she is looking to Jesus. God loves that person in the prison cell, there not because of crime, but because he is standing for Jesus and he is being tormented by the people about him. God sees important people as those who count upon His Son, our lovely Lord. I am so thrilled to speak further about this Lord who is seated on the right hand of God. I love to think this is the place of the highest power and the richest blessing. There is no power as great and as wonderful. He is in charge of everything. Have you ever noticed that sometimes everybody thinks they are important, and then God allows some great hailstorm or some strange, amazing thing to happen, like an earthquake or a volcano or something that we cannot control to take place? All of a sudden, man is shown up at the very level at which he exists; small little man!

The Intercessor, who is ever-sitting on the right hand of God, has shown that there is a place of acceptance. I would like us to turn to -if you have your Bible - **Psalm 110**. As we are turning there, we are realizing what it means to have an *Intercessor*, somebody who is ever

praying for you and for me, our Lord Jesus Christ for He is our Great High Priest. We read in **Psalm 110 - verse 1 -The Lord said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool.** The Almighty God has allowed a certain period of time for planet earth to carry on the way it is going. We might be fighting a certain nation or we are having problems somewhere else, but the Lord, in every situation, is in total control. He is the one who said, . . . ***until I make thine enemies thy footstool.***

His authority and power is demonstrated by that little verse that says in **verse 3: Thy people shall be willing in the day of thy power, in the beauties of holiness from the womb of the morning: thou hast dew of thy youth.** I think we do not understand that **verse 6**, which says - **He shall judge among the heathen . . .** I think we sense that things will get better one day by following certain political ideas or perhaps by getting rid of certain evil people, but God says that all this timing is in His own hands. He, by His authority and power, has gotten us the victory and is saying, "Time is limited for man." This is the hour for the Gospel, the good news, to go forth, but that day is coming to an end soon and it will not be possible to be a member of the family of God, to be a part of His Body, to be a part of His Bride, to be a part of His Building. The Lord is saying - "This is the day of salvation." What about you? Do you really know the Lord? Would you say, "When the Church goes up, I am going with them. I know I'm Christ's." If not, in

Jesus Name, would you please get in touch with us? We want to help you come to Jesus Christ. Write today, and let us know. We will send you a book, *Your Quest for God*, that you might know how to come to Christ now.

In His precious Name. Amen.
