

Hello! This is Dorothy -

It is such a joy to speak to you personally to share God's Word. I would like, if possible, that you just open your Bible to **John's Gospel**. You know, that is one of the easiest parts of the Bible to find in the New Testament. In **John's Gospel, chapter 14**, I want to read **verses 16, 17, 25 and 26**.

16 And I will pray the Father, and he shall give you another Comforter, that he may abide with you forever;

17 Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know; for he dwelleth with you, and shall be in you. This is the promise of God the Holy Spirit in His Person and His ministry. It is going to be through each one, who loves and knows the Lord Jesus Christ. Could you imagine that He is not only dwelling with you, but He is going to be in you? I think this is so awesome when we realize we are His vessel.

Then we go on and read -

25 These things - *this is Jesus speaking* - have I spoken unto you, being yet present with you.

26 But the Comforter, which is the Holy Spirit, whom the Father will send in my name, he shall teach you all things and bring all

things to your remembrance, whatsoever I have said unto you. Do you really believe that, as a child of God, you have been born of the Spirit of the Lord? Do you really believe He is not just beside you, guiding you through the days and there to open doors for you; He is the Life in you! He is the Life in me! He purchased us with His precious Blood that it should be His life. Anything that speaks of you and me is obviously hindering that life.

Now, in an amazing way, you are different from me and I am different from the next Christian sister, but you see, the beautiful thing is He knows all about us individually. He made us different and by His Spirit, He works His mysterious work through us and brings us as one, that we literally should be as one Body. Anything that hinders His Spirit working through us means the Body is not healthy. Now what about that Body? You see, the Body of Jesus Christ, the Church, was entrusted with what we are calling God the Holy Spirit as the *Paraclete*. That word is an unusual word. The nearest equivalent to it is advocate; one who brings aid; the counselor; the helper; the intercessor. The Holy Spirit came down from Heaven when Christ went up to Heaven. He promised He was going to send the Paraclete. He said He is acting in His place. And He is **the Spirit of truth**. Well, we know the Lord Jesus Christ said, **I am the way, the truth and the life**. Now He says, "I am sending this other One, so it is not just in one life where I am, but it is through every born-again believer the Holy Spirit can do that

work.”

I am asking you, if you love the Lord Jesus, do you anticipate for what the Lord will do through you? Do you believe it is going to be His life through you? So many people say, “I am asking God to do a work, to do this, that, or the other,” but do you understand that what we are really saying is, “You know, God, You boost me up and work through me and I am going to come out looking pretty good!” That is not the intention of the work of God the Holy Spirit! It is in the **Book of Acts, the first chapter**, that we understand that when the Holy Spirit was given, the explanation was Him. In **Philippians 3:10**, in the Amplified, we read: . . .**that I may know him . . . and the power outflowing from the resurrection.** . . You say, “Is this possible?” Yes! This is not only possible; this is normal.

I am asking, if you love and know the Lord Jesus Christ, that you will say to Him, *Lord, it is not supposed to be me. You took care of me at the Cross. I was co-crucified with You; I was co-buried with You; I was co-resurrected with You. It is Your resurrection life and now I am co-ascended with You. Therefore, it is You, by your Spirit and, Lord, I thank You by the power of your Spirit, all glory goes to You!* Always, this is the case - this is the work of the Holy Spirit: the Lord Jesus gets the glory. Will you say, *Lord, I want this today in my life. I no longer want it to be me; I want it to be Christ doing this work through me. I want to have the*

faith to say thank You, Lord, for what You are going to do in this situation. Thank You, Lord, for Your power that is going to be manifest that all glory goes to your Name. And it is not I, but it is the Lord Jesus Christ.

Oh, dear sister, if this is your prayer, write to us. Let us help you at this urgent part of your life. *For the glory of the Lord we pray, and give Him all the praise. Thank You, Lord Jesus.*

Amen.
