

Year B # 321
Overcoming Satan
RSA 061

Hello! This is Dorothy -

I want to speak to you about a subject, which has caused much distress on this wonderful continent of Africa. It is a subject that some of us don't want to even think about, but it is a subject we are confronting day after day in the lives we are meeting. It has to do with the subject of AIDs.

There is a little tract which my husband, Richard, has written. It is a tract which brings great help and encouragement. It shows how that the Lord alone can bring us to that place that, whether we are dying of AIDs/HIV or whatever the future holds, we can be forgiven. We can be forever and ever and ever and ever in Heaven with the Lord! He is not judging us for our condition of AIDs. He is showing us that Jesus died on the Cross and He took the price for all our sins, whatever we did, or however this thing happened, or however this thing might happen. There is a part in this little tract, which says that God wants to tell us how we can overcome Satan, because Satan is the accuser of our very mind and our body. It tells how in Christ Jesus, when we receive Him, we can overcome Satan. This means it is possible for you to overcome the devil! It is God's enemy who accuses you of your sin and failure. Satan wants you to think there is no hope for you and there is no way

you can go to heaven, so you better commit suicide, get out of this life and shorten it, but that is Satan speaking! But, when Blood of the Lamb of the Lord Jesus Christ was shed , when He died as the spotless Lamb of God, although everybody else's blood contains the seed of death as contaminated blood, only His Blood was undefiled. It was His precious Blood that was shed for your sin. If you believe on the Lord Jesus Christ, Satan will no longer be able to accuse you. The Blood of Jesus will set you free from Satan's hold!

It goes on to say in **Revelation chapter 12** —

11 And they overcame him - that is Satan - by the blood of the Lamb, and by the word of their testimony. . . That means you must tell somebody you have decided that Jesus Christ is your personal Lord and Saviour. You know, when a baby comes into the world, the first thing we look for is that it makes a noise. We do not want a beautiful baby with no sound. Sound means life. As you receive Jesus and confess Him, life is experienced and, at that moment, is a witness and assurance in your heart. Then the last part of this verse in **chapter 12 of Revelation 11 - . . . and they loved not their lives unto the death.** That means that because the Lord Jesus died for you, now your love for Him is greater than your love of life. Tell Him how much you love Him in your own words. Confess Him to others. Like those dear people in Kenya, share with others who perhaps are facing death so soon, that they can know eternal life in Christ Jesus.

Yes, there is hope for the hopeless!

It was God's plan, when He created man and woman, that there was safe sex. His plan was that there should be one man and one woman in a married relationship. As we have caused so much contamination in marriages that have been so messed up, we have opened ourselves to lustful behavior. At the same time, we have gone the way of the flesh and we have denied the Lord.

How grateful I am that it is possible that **God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish** –*God does not want you to perish - He values your life - . . . but have everlasting life - which is what He wants you to have.* This is according to **John 3:16**. To respond to God's love and be assured that you have **everlasting life**, you need to pray to God from your heart. Your eternal destiny will depend on your heartfelt prayer of response to God's wonderful love for you.

Pray this prayer with me - *Almighty God, I bow before You. I confess I am a sinner. I deserve to die for my sin. Thank You You sent Jesus to die on the Cross in my place. Now I turn from my sin. I put my faith in Jesus Christ as my Lord and Saviour. Please forgive me and cleanse my heart and life. By the power of the precious Blood of the Lord Jesus, I renounce every allegiance I have ever given to Satan. I now invite You,*

*Lord Jesus, to come into my heart and life and fill me with Your Spirit.
Thank You, Lord, I have been forgiven! Thank You, Lord, I am born
again! And one day I will live with You forever in Heaven!*

Amen.
