

Hello! This is Dorothy -

This has been an exciting week talking about how Noah built the ark, a wooden chest. We know also, as referred to in the **Book of Hebrews** and elsewhere, the ark is a type of Christ; prepared to save His household; a place where we could come that the Blood of Jesus could cover and be our propitiation; our covering; the One that we could come by and have access to an holy God. Also, in Christ there is a very amazing viewpoint, as we see that the ark speaks of preserving His people through the Tribulation. In other words, He is speaking that those who are in Christ will be spared from going through that Tribulation period. For we will be caught up to be with the Lord as He calls His Church to Himself. But to the Jews, who are His people, He is still speaking and, always in the foremost of His heart, longs to reach them and meet them. In these closing days, I really do believe that the link of the open discovery of the ark could well be at that time they go through very sore testings and they will come, as we know as Scripture shows, in that Tribulation period, when God pours out His wrath on planet earth.

But I want to tell you something which means a lot to me. **Matthew 24 —**

37 **But as the days of Noah were, so shall also the coming of the Son of man be.** The condition that prevailed in the world before the flood is being reproduced right now. It is characterized. I want to just sum up briefly what we are talking about. You know, in the beginning of **Genesis chapter 6 verse 1**, there began the multiplication of men and women and people lived much longer lives than what we live in our day. All this was taking place and there was a huge number of people on planet earth.

Also, it depicts God's long-suffering. He has been so long-suffering that you might be saved. Yes, He is holding back His judgment that you should come to know Christ, while there is still time. But, believe you me, the last nails are going into that ark right now. It is going to be judgment time very soon. Please do not halt between two opinions. Please come into Christ today. Make this the most urgent happening in your life, because it is the difference of eternity. God's messengers also are here warning of the coming judgment. The messenger of Christ is not necessarily received and loved and noted, but it is not their life; it is the life of Christ they are showing forth. And there is a price to pay to show forth Christ. You see, they are coming as people have shared with you. Perhaps over these radio broadcasts, somebody has been saying, "Jesus loves you. Come to Him today." That timing is coming to an end when you will have that opportunity. Also, one of the other signs that you could link is the withdrawal of His Spirit as in **2 Thessalonians**.

There will be the withdrawing of His Spirit. It is His Spirit that is pleading with you. It is His Spirit that is working in you by love and He is going to withdraw the work of His Spirit driving, striving, aiming for you to be delivered. Also, God's loving outreach we can see is going on even though He is still despised and rejected by men. You perhaps are rebelling and despising and rejecting Christ, but God is still extending a loving hand toward you. You know, as for God's faithful few who do find grace in His sight and walk with him, God takes them and brings them unto Himself. That is typified when Enoch was caught up to be with the Lord in the air.

But there is an interesting portion which we have not gone into. It is in the beginning of **Genesis 6**. It speaks about fallen angels, thrown out of Heaven, and their demonic union with the daughters of men. That is a subject all on its own - a huge subject. But in this hour, there is such an increase of demonic activity, such an openness to receive demonic spirits, the dabbling in of things which speak of darkness.

Only yesterday, I was talking with a girl who said she wants to learn how to do tatoos and go into this other spirit world. People do not realize they are putting themselves into the hands of demonic, evil, evil intended beings, which are for your destruction not only in this life, but for eternity. Run from such things! Forsake such things! Have nothing to do with your horoscope and all these things you

think are innocent. Walk away from them in the power of Jesus today! But also, another similarity is God's judgment on the ungodly. If you read **Revelation chapter 6 through 19**, that tells of God's judgment on the ungodly. You will be overwhelmed with what God is yet going to do on planet earth. And the wonderful, wonderful thing that I love is God's miraculous preservation of Noah, typified of the Jewish remnant. He comes to that place and says, "By My grace, receive Me."

Oh, dear friend, take these chapters and read them again around **Genesis 6** and see now is the day of salvation and receive Christ into your life.

God bless you. We love you. Amen.
